

# Favorite Children's Book Contest

Vote for the favorite books of your children, grandchildren or childhood using the marked container for ballots--multiple entries are welcome. The selection of titles is not limited to the ones mentioned on this flyer.

**Please cast your vote by the date indicated on the ballot container.**

Samuel Brown will purchase the most popular title and affix a bookplate to the book in honor of your Center.

The book will be donated to Read to Grow, an organization that promotes language skills and literacy for children.
