

Expats for Books Literacy Service Project

Make reading come alive for local children by paying for fun books in Spanish and delivering them to the Casa de Cultura.

1) Look at the list of books available at www.srbrown.info/expatsforbooks.pdf Order as many as you would like via www.amazon.com.mx by December 31, 2023 and have them sent to your home.

2) Bring the books to the Casa de Cultura listed below. Tell the Director that you are participating in the Expats for Books project. He or she will have some children display their reading skills by reading portions of the books out loud to you in Spanish—no knowledge of Spanish is required on your part.

Casa de la Cultura de Tonalá
Avenida Hidalgo # 177
Centro C.P. 30500 Tonalá, Chiapas

The books will be kept at la Casa de Cultura to be enjoyed by all the children.

This project is being coordinated by Samuel Brown—a retired library director living in the US. Please contact him with any questions.
