

Would you like to relive memories of reading a favorite children's book to your children, grandchildren or from your childhood? Contact your local public library to see if this or other books are available to borrow --there is no cost involved.

If you are unable to travel to your local public library, there may be other options for borrowing books. For example, someone may be able to borrow books on your behalf or your library may have a service that will deliver books to the homebound.

This project is being coordinated by Samuel Brown, a retired library director. Please contact him with any questions. Email: cheshbrownr@gmail.com, Cell: 203-597-7181
