

Gift Card Project

Purchase supermarket gift cards at a local supermarket or online at sites such as [giftcards.com](https://www.giftcards.com), www.raise.com, or www.cardcash.com

The gift cards will be given to our local social service department or a food pantry.

Please purchase the gift cards by December 31, 2023 and drop them off in the office here.

This project is being coordinated by Samuel Brown. He is contacting Senior Centers throughout Connecticut to enlist their support for the project.
